

Linda Palmer and the Cox Green School Volunteers with "The Rainbow".

This is to be the focal point at Bramble's Bazaar on June 4th to raise money for the CLAWS Rainbow Fund.

This is copy of an original cartoon created by Geoff Motley (AKA GOF) especially to raise funds for Bramble's Bazaar.

We are doing a sealed bid auction for it on Sunday.

The Rainbow Fund was set up to help C.L.A.W.S. pay for "emergencies".

It is also used to make contributions to special projects such as at CATWORLD, a charity run by a lovely lady called Barbara who has a sanctuary for cats with FELV / FIV.
