**Oscar is only 7 years old but is one of the unfortunates of the feline race.**

**Found wandering and in a bad way, he is longing for a home of his own.**

**He needs to be an only cat in an adult household, preferably where the owners are in for a good part of the time.**

**Despite his unhappy experiences Oscar is a dear boy and very loving.**

**He has been neutered, vaccinated, micro-chipped and blood tested.**

**If you would like to offer Oscar a home please ring the C.L.A.W.S. help line on**
